kid & always will be
Good luck on your finals.
because I'm sure you
will need it. Love + kisses
Levinovsky (Larry)

Dear Ross,
This year sure has
gone fast (considering
you were in 2 of my classes)
I hope you are in even more
next year. Good luck on finals.
Dove

Dear Ross,
Even though
I only sat next
to you for a few
weeks, it was fun.
I'll see you
in 9th grade
& I'll be next
to you.
Dave Elms

Dear Ross,
May I express my
sincere and best wishes to
you: the Major General
John Scalea

Blue and the White We Will Love Thee Forever . . .

ROSS,
I won't take up too much room space
cause I ~~fill~~ all your other "fans"
have to have room to write too. Well,
this year has really been great. I've
had so much fun and I'm sure you have
too! You're a great B-ball player and
I'm sure you'll make varsity when the
time comes. Have a great summer and
don't do anything I wouldn't do (that
means you can do anything - almost!)
Good luck in everything you do -
LOVE,
Elyse

Dear Ross,
It's been fun
this year in English, the
if you don't think of the
teacher. Good luck on
finals, even though you
won't need it, old
jack D

It's been
great talking to
you in S.H. Good luck
on your Bio final.
Your good buddy that sits next
to you in S.H.,
Marcia

Dear Rossy,

Hope next year is exciting as this year has been. Things have really gone well this year. Always acting as though you were ready to kill someone. Well, we can't all be perfect. To a real great basketball player from a better one.

I have only known you about a month and already I know everything. Very modest, etc.

I had a lot of fun helping you with your problems and everything else, I won't forget the Kozel Shapiro Views. That was really sharp or a panic in your language. Well,

I guess that's all, hope things work out ok in life. To a real cool kid when you want to be.

Always
Sean

Dear Ross,

Here's a toast to a truly great playboy and a truly lousy basketball player. You know, I only met you this year but it seems like I've known you for 10 years. Well, good luck on the finals.

Love,
Jerry

Dear Ross,

You're a real fun guy. You're the most fun when we play B-ball and you stuff all my shots. The first time I met you was in Hebrew school in 6th grade and we almost got into a fight. You sure changed. Have fun this summer.

My most sincere
regards,
David

Dear Doof:

I hope you had a rotten year, here at B.H.S. The only reason I ever came over was to mock you and make me look good. The only team you're physically fit enough to play is the chess team but with your IQ you'll never make it. Don't get me wrong if you think I'm being nice. I hate you and most likely continue to do so. I feel sorry for your nice brother and mom + dad. I know I could never put up with you. Now don't get to high head after I say this and think you the greatest thing that ever came to B.H.S. "I'm sure many other people can't stand your guts either." You know, I can't see how you made it though this year.

... We stand in our own light wherever we go ...

— Owen Meredith

You even had the teachers after you. In B ball you were the biggest ~~cheater~~ in basket ball history. On just that you didn't have a shot like you told everybody.

Now do your best on the finals and in summer school. Stop smoking before your parents find out and remember girls and sports don't mix = don't worry about the last statement you'll never mix with girls except D. Miller.

You know when I look at it this way, maring has some advantages.

With love and kisses

Greg

P.S. Forget the Spelling and I wish your odor in study hall would lose its strength sooner.

Dear Sentimental, I know how you speak,
It's been great having you
in front of me all year in home-
room seeing as I love to have
my books shoved off my desk. No, I'm
being a bit facetious! Really you're
a good guy. Lots of luck. We're rapidly
running out of time!

Luv Ya,
Cindy G

Dear Ross,

I can't tell you how glad I
am that you live near me.
It was a great year watching you
make basketball history and watch
you make those fantastic 1-handed
catches in football. Good luck
on finals and I'll see you
this summer,

Scott

CLASS HISTORY

Our class came over to the high school in the eighth grade and all of us were excited and scared about this new adventure. The first year was spent in adjusting and acquainting ourselves with the many aspects of life at BHS. This year gave us an extra advantage: by our Freshman year we were ready to enter into school activities in full force. Under the leadership of President Jeff Siewert, Vice-President Larry Radford, Secretary Karen Wilbur, and Treasurer Margaret Adams we tried to unify our class and make ourselves an integral part of BHS. Linda Taylor, Jill Myers, Diane Guzzetta, and Patti Townsend were our cheerleaders who made us stand up and be heard during all athletic competition. We started to think about graduation, but real action on the subject did not take place until the following year.

The class officers, President Steve Parks, Vice-President Phil Smith, Secretary Linda Tatelbaum, and Treasurer Karen Berger, led us in a very successful candy sale. Oh those Katydids! As Sophomores, we began to participate more in sports and our cheerleaders for that year, Patti Townsend, Diane Guzzetta, Jill Myers, and Linda Taylor, made our enthusiasm even greater. We actively participated in the first BHS Homecoming weekend which proved to be a success. Along with our interest in these extracurricular activities, we also took a greater interest in academics.

This feeling became much more vivid in our Junior year when we took a multitude of tests for college entrance as well as for scholarships. In keeping with our academically orientated thoughts, the Standardbearers, Roberta Medwin, Bruce Freedman, Joanie Rubin, and Steve Parks, were chosen. They represent the highest scholastic achievement of our class. Another money raising project was carried through by our class officers, President Andy Germanow, Vice-President Jeff Siewert, Secretary Phil Smith, and Treasurer Margaret Adams. They tried the new idea of selling BHS night-shirts and this gambol proved to be a success. One of the most exciting events of the year was the Junior Prom, "Hawaiian Twilight." It was worked on diligently

by class members and turned out just beautifully. To add to the excitement, Jo Coleman was crowned Queen and Andy Germanow King. Jo was also chosen BHS Harvest Queen, Monroe County Harvest Queen, and Homecoming Queen for 1964. Our spirit was kept up by all these activities as well as by Nancy Swift, Patti Townsend, Beverly Finninger, Linda Tatelbaum, and Patty Anderson, our cheerleaders. The Student Council officers for this year were Secretary Linda Tatelbaum and Treasurer Stuart Appelbaum. As the Junior year ended, our thoughts turned toward college.

Led in our Senior year by Jack Shinnock as President, Vice-President Phil Smith, Secretary Margaret Adams, and Treasurer Linda Tatelbaum, the most pressing problem was money. To cure this, we had movies, another candy sale, and an all-day paper drive. Plans were made for graduation with caps, gowns, and invitations being ordered by the Senior Council. The guidance office became the scene of vigorous activity, and Senior Incentive was remodeled. During this year our cheers were led by Beverly Finninger, Patty Anderson, Patti Townsend, Nancy Swift, and Jill Myers who kept us coming to games. Joe Buttrill as President and Art Clark as Vice President led the Student Council. This was really the most exciting year, the one that we had been planning for during our five years at BHS.

HOMEcoming

A last minute touchdown in the game against Irondequoit highlighted the Homecoming Weekend. The third annual Homecoming opened with a bonfire and was climaxed with a dance where Jo Coleman reigned as queen.

Dear Ross, (I'll be nice & serious now & not call you Rossi)
 It's taken quite a long time for me to think of something to write in your yearbook & still I don't know what I'm going to say but here it goes.

This year has really been great for me with you. I've really had a lot of fun going out for long walks on Sat. nights even though my mother likes me to stay away from Cubas Hill. The reason one thing though, we really have cut each other down to size. I don't mind it too much (I really think that it's fun) and I hope that you don't get too mad if we continue to do it.

Those submarines have really been great and now it's gotten to be a habit of eating one just about every week. I'm sorry that I said that you were a chicken & I hope that you'll forget about it.

This summer we should have fun with all of those firecrackers if I do a good enough job on my finals. & maybe we can go to an amusement park once in a while just to have fun & I mean it. I've never really been able to talk to anyone about my problems (except maybe my mother) and this year I found it not only easy (or at least easier) to talk to JEAN but also to you.

I don't know why I have never really confided in anyone. (This year it's just been great having people to talk to who you can trust & rely on.)

I know that I've been mean to you many times this year & now & during the summer I'll try to change but I am what I am & I don't know if I'll ever grow up or if I ever want to grow up but I hope that maybe you won't give up until I've tried.

Well, as you've said this year quote "has been a panic" & I'm really looking forward for summer & warm weather. Good luck on your finals! Always work as hard as you are on basketball.

Love,
 Ilene

Daddy Doofo (I'm sorry but I couldn't resist it)

By mid-season the Barons lost some of their touch and with it several key games. The Varsity Cagers finished runners-up in a Christmas tournament at Spencerport, to mark the first time a Brighton team has participated in such an event. The Yostmen were led by the shooting of Paul Reissig, the playmaking of Steve Miller and Hank Leibling, and the rebounding power of Ross Hunter, Tony Baney, and Andy Germanow.

The BHS baseball team finished with a 6-8 record. The team consistently played good defense, but was unable to come up with the hits. The infield was especially strong. The outstanding players were Dave Geiser, John Buttrill, Lynn Moore, and Paul Reissig. The season was highlighted by many well-played games. The pitching was good, especially against East Rochester. Dave Geiser shut out the Bombers with a no hitter. The key game for Coach Nelson's team was played in Red Wing Stadium. Trailing in the bottom of the seventh, the team managed four straight hits to outlast Fairport, 5-4.

But there is no joy in Mudville . . .

 the old gawk himself. Remember those games of rattle? Paul would usually win. You would go out after Paul while I waited under the basket for the rebound. Well that's the way it goes. the way you always glowed whenever you made a basket. Well Ross, some day you'll be a Junior, or a sophomore, or even a senior, until then good luck in every thing you try, even though you never succeed ha

GIRLS' PHYSICAL EDUCATION DEPARTMENT

This year the Girls' Physical Education Department has continued striving to make BHS girls more physically fit. It has attained its goal to a large degree through a new stress on exercise and improvement of athletic skills. Enjoyment has also been promoted by the Department in the four major sports: soccer, basketball, volleyball, and baseball.

The contributions and services rendered by Mrs. Francys Blair to the girls' athletic program at BHS will never be forgotten.

GAA COUNCIL

Led by this year's President Chris Geoghegan, the Girls' Athletic Association provided the JV Cheerleaders with new sweaters, bought a time clock for the BHS pool, and sponsored its annual Open House in March. To raise money for these projects and a farewell dinner for Mrs. Blair, the girls sold candy at all home football and basketball games.

SENIOR LEADERS CLUB

Interest, athletic ability, and scholarship eligibility are requisite for membership in this year's Senior Leaders' Club. Girls demonstrating these attributes assist in gym and swimming classes and officiate all intramural games. Meeting once a week, the girls discuss new rules and learn leadership techniques which enable them to fulfill the purpose of the club.

Chosen on the basis of athletic ability, leadership initiative, and intramural participation in their freshman year, these girls are responsible for scoring and timing intramural games. They also officiate in gym classes as preparation for participation in the Senior Leaders' Club.

MAJORETTES

L. Smith, L. Kline, J. Kristal, L. Town, N. Hurvitz, M. Cohen.

Homecoming provided the prime time for this year's majorettes to exhibit their twirling skills. Led by captain Linda Smith, the girls were an excellent asset to half-time activities during the Brighton-Irondequoit skirmish.

VARSITY CHEERLEADERS

Inspired by co-captains Patti Townsend and Nancy Swift, this year's Varsity Cheerleading squad was instrumental in increasing interest in the Varsity football and basketball teams. By cheering in the halls, promoting pep assemblies, and by making weekly posters, the enthusiasm of these girls was diffused throughout the student body.

Keep up the good work.

great getting
to know, I'll never
forget our

Never before has it been so necessary
to know how to get a job . . .

Now comes the time of decision for your career ahead. It will probably be one of the most important decisions you will be called upon to make. Fortunately, you live in a land where freedom of choice and opportunity are almost unlimited.

Of course, anyone's "first job" is to get his basic education. Congratulations to you who get this job well done.

Now, how about the next step?

Career opportunities in Rochester, with its many and diverse industries, commercial organizations and professions, should interest almost any student. Most Rochester companies are recognized for their high standards and advanced technology. It follows that standards for employment are high too — and a good education tops the list.

An employer knows what kinds of people he is looking for. The student ready for a career should have an equally good idea of what he or she is looking for. Consulting with parents, counselors, friends, and with employers themselves will reveal what kinds of positions are available in what kinds of organizations. Evaluating your abilities and appraising your readiness for the career of your choice is the key to your future. There is no door it cannot unlock — when the key fits!

Ross,
Well, here we are
ending our Freshman yr.
in good old B.H.S. It's been
a short but a really great yr.
For me - & you & your Basketball!
I want to wish you lots of luck on your
Finals - have a wonderful summer & good
luck next yr. in sports.
Fondly,
Shell

Dear Ross -

It's really been a great year, especially being together
in so many classes. Hope we're in a lot of classes next
year too. Even though we've had our "disagreements"
we ~~to~~ made it thru the year & we're still good friends.
I hope we will be friends for a long, long time. What
would I ~~even~~ have done without you in math, SS &
especially Biology? Well, there's not much else to
say but stay as great as you've always been - good
luck on finals (especially Bio) & have a great summer.

Love,
Linda

HONEY

DEAR ROSS,

IT'S REALLY BEEN
GREAT KNOWING YOU
THIS YEAR. EVEN THOUGH
YOU DON'T LIKE THE WAY
I SAY HELLO. YOU ARE ALWAYS
MOCKING ME AND SOMEDAY
YOU WILL MAKE ME CRY (I CRY
VERY EASILY).

WHY DID YOU SAY WE HAVEN'T
GOTTEN ALONG TO WELL. I THINK
THAT WE HATED EACH OTHER MOST
OF THE TIME. SO LET'S BE FRIENDS
FOR A WHILE.

I REALLY LIKE YOU AND
THINK THAT YOU'RE A GREAT KID.
STAY THE SAME.

Ross,

There's so much to say that I think I could fill this page but I'll try not to (cuz it wouldn't be fair to all of your other fans who want to sign) Ya know, I've only known you for a year but I feel like I've known you much longer. We've become good friends and I hope I'll stay that way. It was fun writing to you all year and even more fun talking to you (especially when you were in a bad mood). I've only seen you play a couple of times but I think you're a really cool B-ball (in your terms) player and I hope you make Varsity!! (Yeah) It's fun having you in homeroom and I have three more wonderful years to look forward to. Next year you, Linda, and I will have to sit together to avoid certain arguments.

Well, it's been a good year! Best of Luck on finals and have a nice summer. Maybe I'll see ya sometime.

Love,
Soby!

P.S. send my regards to Peter

Dear Ross,

It's been fun getting to know you this year, especially in Math. I think you're the greatest guy in every sort of way. Lot of fun to talk to, be with, & everything else. Too bad I didn't have you in more classes. Best Wishes every way
Love ya always,

Anita

P.S. Good Luck on Math regents

Ross,
P.S.

You're a big clux, and a fink, not really, you're
a real sweet Kid and I hope you're in my classes
next year. Pam J.

Ross, been a great
This has been a great
year for me and I'm sure
you had a great time too.
Too bad we only have S.H.
to gether. Have fun this
summer. See ya next
year if we make it
through the summer
John

Dear Ross

It's been a great year
but it wouldn't have been
the same without our contest
every morning, too bad you
didn't win very often (!). I'm
seere glad I get to know you.
You're a great guy. Good
luck on finals and every
thing else too.

Dennis

Blue and the White We Will Love Thee Forever . . .

Dear Ross,

(Gary)

Dear Ross,
You are by far the
greatest Kid in the
world. You are smart,
handsome, and you have
a good personality. You
are a great athlete
and a great guy -
Love,
Ross

Dear
Ross,
It's been
quite an experience
knowing you this year!
I don't interpret that wrong!
I meant a real nice
stop worrying, unless you don't watch
you step! But it wouldn't have been quite
the same without your smiling face coming
down the hall every morning! You're really great
in basketball and everything you do, although I know you
in great need of it. (lol) You're a great, wonderful
guy with a neat personality and I know
you'll stay that way.

Love,
Jackie

P.S. Good luck in sports and everything
you do. Have a great summer too! I
really like you and I hope we'll be
friends for a long, long, long time.
